DESCRIPTION

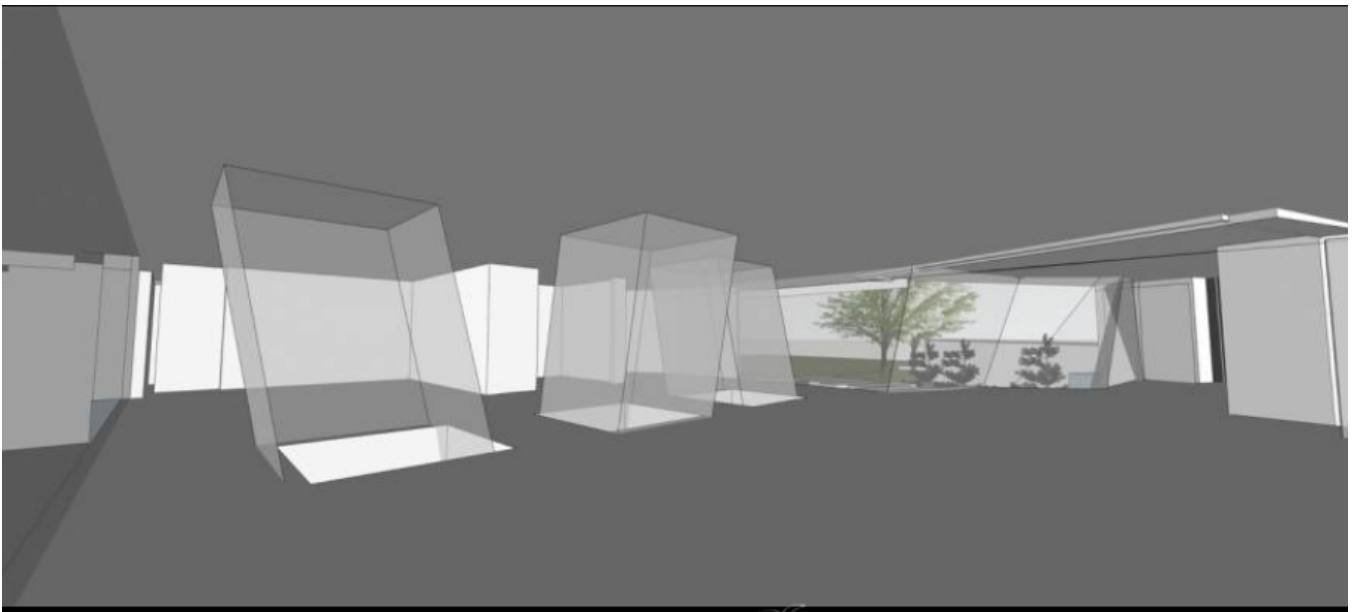

Sa Paisa Den Vinya is an original house Ibiza, located in the west of the island in a unique setting, with open views over the island of Sa Conillera, in what could be called a paradise of the typical nature of the island for those who they want to enjoy the absolute tranquility in one of the touristically most authentic and least exploited areas, but also very close to the best beaches in the west of Ibiza, Cala Bassa, Cala Conta, Cala Tarida, Cala Carbo, San Jose, etc. .

The new project presented, covers an area of 300 m2 of housing, 39,000 m2 of terreno, the house project takes on a modern and elegant style and a cozy feeling, being surrounded by beautiful

gardens and ponds of nature with modern cutting edge design and deeply enlightened by all rooms. Outside you can enjoy a natural environment, surrounded by pine forests and spectacular views of the Mediterranean and the island of Sa Conillera. Pool 30m2.
