DESCRIPTION

This luxury villa is minimalist, modern with spectacular views. One of the most impressive villas near Na Xamena. This minimalist villa has a spectacular panoramic view of the sea and you can enjoy the most beautiful sunsets.

The villa with 730sqm has eight large bedrooms, all with en-suite bathrooms and two independent living rooms. The living rooms are equipped with very high ceilings, which creates a very nice atmosphere.

On the top floor it has a huge living room, including two living rooms, dining area and a small kitchen. There are two bedrooms, both with en-suite bathrooms and a fantastic view of the sea. A staircase from one of the living rooms leads into a bedroom on the top floor. The bedroom has a bed and bath. At the pool area there is access to three very nice bedrooms. They all have a private bathroom, beds and have a fantastic view of the sea. Access to the two last bedrooms is next to the entrance of the villa. You have a private bath, with a bed and like the others also sea view.
