DESCRIPTION

With 2 times 180m² of living space the two houses have a lot of space with a community pool. Ideal for rent. In both houses it is still possible to build another apartment. Everything is provided for this. The two houses have a lot of potential and you can get a good rent. The 2000m² plot is completely fenced and has a large pool. The houses can also be purchased separately. In this case, the smaller one with 2 bedrooms costs 500,000, - or the larger one with 3 bedrooms 600,000, - where one can still build a complete apartment on the ground floor, thus double the living space.

Please contact with questions. The houses need a beautiful white color and already look modern

and good. Very good investment. Not negotiable
