### DESCRIPTION

The modern designer villa gave me great views of the sea and beach. This dream villa is located on Punta Grossa in Cala San Vicente and has a breathtaking view of the sea, the beach, the coast and the mountains.

High ceilings and the large glass front form a super contrast between the white and blue minimalist interior. The view of the sea to emphasize, from any space, unforgettable and unique in Ibiza. The terrace and the infinity pool are the perfect place to enjoy this spectacular backdrop. A villa that no

longer exists.
