DESCRIPTION

Near Ibiza Town there is a newly built community of 9 apartments. The façade in white and stone creates an Ibizan volume that invites to relaxed living. All apartments have a large eastfacing terrace overlooking the valley and a spectacular sunrise.

There are three apartments per floor with two bedrooms each with bath en suite, open kitchen to the dining room overlooking the landscape. The ground floor apartments each have a large green area with individual access. The main entrance leads to the elevator and the common staircase.

All attic apartments have a staircase to the roof terrace, ideal for e.g. a chill-out with barbecue area and a whirlpool. The purchase prices of the Ibiza apartments range between € 395,000 and € 550,000.
