DESCRIPTION

Beautiful Finca from the year 1900 in San Juan with 6 hectares of land with own water. There is a house to reform with roofs of 200m² which can be extended and there is the right to build a 8x4m mirror pool. All this from the top of a small hill with South orientation. In addition there are two small existing outbuildings. The access is from the East and is very good and the land is very good for cultivation. The electricity connection is close to the Finca. From the finca there are beautiful views over the countryside and mountains especially to the Puig de sa Torreta or also known as Malacosta.
