DESCRIPTION

Spacious refurbished penthouse property with rooftop pool and sunterrace

This bright sunny penthouse is on the 2nd and 3rd floor to be reached by staircase or elevator

The mainfloor offers a spacious open plan living room and kitchen with a surrounding covered overhang terrace. Immediate eyecatcher is the far sighted green views from all the living space. This floor offers 2 bedrooms ensuite with a possibility to make a 3rd bedroom if desired.

One would feel as if walking into a private villa due to the lush green views to be enjoyed from all sides. Privacy and tranquility are guaranteed here as it is the corner apartment on the best side of the building.

The penthouse has been refurbished and is sold fully fitted, including all outdoor furniture that has been imported from Bali and elsewhere exotic.

The bathrooms have just been refurbished in June 2023.
