DESCRIPTION

This beautiful 2 bedroom apartment for sale in San José

This elegant and cozy apartment hotel is located in a well maintained complex in San Jose and offers comfort and luxury with its excellent facilities and location. The living room is indeed limited to 80 m² something, but thanks to light and large windows, a spacious feel.

The terrace is very special because it is almost as large as the current 70 square meters of living space inside the building. Partially covered, is here an incredibly beautiful views of the sea and Es

Vedra, which seems very near here. The apartment faces south and has a large car park.
