DESCRIPTION

The very well maintained property with vines, citrus and olive trees and the production of own [house](#) wine and other delicacies. The large swimming pool in the garden is located directly in front of the main house with a view of the sea and city. Also the terrace of genuine Sabina wood with a wonderful view of the surroundings up to the harbor and the sea.

An impressive experience you can enjoy at night, when your own garden and Ibiza is illuminated.

On the upper floor is the main bedroom with bathroom en suite. In the lower floor is a rustic kitchen, a living / dining room, 2 bathrooms and 3 bedrooms. One of the bedrooms and the dining room lead to a terrace with separate walk-in utility room. The historic tower is a real eye-catcher! A special feature for real Ibiza friends!
