Ibiza Finca near the village of San José. The finca has been [renovated](#) to the highest standard, the old finca has been preserved in all original details and with Sabina wood ceilings. This lovely finca with a magnificent view of the countryside and the sea is unique. Many chill out areas in the garden provide a great atmosphere, the house is truly private with a wonderful Mediterranean garden. The main house is divided onto two levels. On the top floor the master suite and a bedroom with double bed can be found. The ground floor offers two more beautiful bedrooms.

A guest apartment is connected to the main house. It has two bedrooms, a bathroom and a cozy salon. There are also two small guesthouses, each with a bedroom and a bathroom. Another plus of this object is that it already has a tourist license so perfectly appropriated for rental.
