DESCRIPTION

A very cosy renovated small finca - more than 100 years old - with a long pool and nice country views.

The finca has been renovated in good taste, has a living room, kitchen, 3 bedroom and 2 bathrooms and is well maintained.

There is a lovely covered porch at the front of the house with a dining area.

However it is a very simple property. So for modern all year living it needs some installations like air con and central heating.

The property enjoys nice views over the valley of Balafia towards Santa Eulalia and only a quick drive from San Lorenzo and San Juan.

The pool is 3x16 long and set away from the house. There is a storage area under the pool. This is a real original finca with real charm!
