DESCRIPTION

Exclusive island with a VIP housing for rent

Probably the last paradise on a very special private island in the Mediterranean, Tagomago, a beautiful island in the sun in Spain, very private but erreichbar quickly by boat from the lovely marina of Santa Eulalia, Ibiza.

The views of the island is stunning with blue sea on all sides, the fantastic and varied rock formations of the cliffs of Tagomago and the unspoilt coast of Ibiza in the distance.

The island has an area of more than 400.000m² and is just half a mile (900 meters) off the coast of Ibiza, with its international airport and sophisticated cosmopolitan lifestyle.

As a full service provider, however, Tagomago offers tranquility, privacy and natural beauty. The northeastern end of the island is covered mainly by pine trees and other plants.

The center of the island is ideal for growing all kinds of fruits, as everything is flat roof. This beautiful island sore with his unique villa is a dream and you can not hold it with pictures.
