DESCRIPTION

This property is an absolute gem located high in hills only a few kilometres away from Sant Rafael. This grandiose property is set over two floors and offers a magnificent living room on the ground floor, kitchen and reception room as well as 3 en-suite bedrooms. A beautiful staircase leads you upstairs to the huge master bedroom with ensuite bathroom and dressing room and a further 2 bedrooms located on the first floor. There is a charming courtyard in the center of the building and lovely surrounding terraces which can be accessed by the living room and the ground floor bedrooms. There is a large pool and covered pool terrace and a further guest house with three separate en-suite bedrooms. The property has a whopping 316.000m² of land (currently segregated in five equally divided plots) which includes an olive grove and two deep water wells. There is therefore ample opportunity for further construction and development.
