DESCRIPTION

This country house for sale of 2.000m² plot is a good example of the charming Ibiza style. White walls with rounded edges, wooden beams and doors and a large garden area. It is the perfect place for those who want to feel the magic spirit of Ibiza life.

The house of 198 m², consists of 3 bedrooms and 2 bathrooms (one ensuite), a large kitchen and a living-dining room, which invites you to gather around it's fireplace. To enjoy the warmer months, on the outside of the house you will find a large chill-out with barbecue and a big swimming pool. The vegetation of the plot will give you a feeling of peace and tranquility.

The house, with great potential for renovation, will allow you to combine the classic style of its architecture with a contemporary and modern decoration, which will give a unique personality to the property. There exists a structure in the garden that can be converted into a separate apartment of up to 50sqm, which is an added bonus for guests or rental income.
