DESCRIPTION

Authentic farmhouse, completely [renovated](#) with a beautiful valley views.

[Built](#) area: 225.43 m2 - Land: 7.584 m2

The finca could be extended by about 25 m2!

Finca / main house

1 master bedroom with open fireplace and fitted wardrobe,

1 further bedroom with fitted wardrobe

1 bath completely

Living-dining area with open fireplace and Sabina wood ceilings

Modern, small kitchen, fully equipped!

Large, covered terrace next to the kitchen

Anexo I. (to commit from outside)

1 bathroom with shower, toilet and washing machine

Anexo II. (Not directly connected to the [house](#), to commit from the outside)

1 room with rock wall and roof (not insulated) to use as a bedroom or storage

Anexo III. (to commit from the outside, behind the house)
with new modern heating system for oil central heating and oil tank

Bodega in natural rock with wine barrel and ideal temperature for storing wines!

Covered chill-out space, large pool with natural stones and wrap-around patio and outdoor shower.
The property is mostly fenced with a large entrance gate!

The finca is located on a terraced hill with many natural stone walls.

Surrounded by fruit trees and beautiful thick palm trees and giant, Jukka plants.

There are some large caves on the premises, which can also be used as a garage.

The water is delivered cheaply from a source from the neighbor.

Enjoy the unique tranquility and a peaceful view of the Morna Valley!

The entire property has been completely renovated, new roofs, oil central heating, TV-SAT and ADSL system!
