DESCRIPTION

One of the most beautiful villas on Ibiza with fantastic sea views and all-day sun. The house with guest house has approx. 1000m² living space with 9 rooms with ensuite bathroom. Asking Price 18 million !!

Due to its very high and large rooms this villa is the absolute masterpiece on Ibiza. The indoor pool, sauna, gym and a 30 meter long swimming pool in the open air complete this luxury property.

The trees have been removed so that you have an undisturbed view like from the picture book of Cala Jondal. The garden becomes an oasis filled with olive trees and other fruit trees and colourful plants that make spring and summer appear even sweeter.

The large lawns also make this property a children's paradise where children can let off steam. The 50.000 m² large property is partially fenced in, which facilitates the maintenance of the property. A prime location with sun from dawn to dusk.

A property where you already imagine a carefree life as soon as you step in.
