DESCRIPTION

The apartment in the heart of the city of Ibiza, a short walk from the new market, has recently been renovated! There are 2 newly renovated bathrooms, 3 double bedrooms and 1 single bedroom, a spacious living area and a fully renovated kitchen. There are very long squares where we also find laundry areas.

It is a fully key ready apartment and is situated on the third floor without any lift. In 2019 the plumbing and electrical installations were reformed to modern standards. There is also optic fiber internet.
