### DESCRIPTION

If you are looking for a modern house for sale in South-West of Ibiza you should consider this one.

It belongs to the luxurious urbanization Infinity at Cala Carbo. With a total of 17 units divided in 2 rows the Infinity urbanisation was built high on hill to allow all units amazing sea views to Es Vedra.

This house is located in front row. The usable surface was divided in two floors. The top floor offers a great apartment with two bedrooms with their bathroom and a great open plan living room with kitchen. From here you can access the terrace with the infinity pool and the unique views. The orientation of the terrace is South-West.

The inferior floor is accessible by the exterior. Here you will find a patio with an utility area and inside a another large living room with kitchen plus other two bedrooms. There is another small room with bathroom for the service. A large garage for a big car belongs to the property as well.

The Infinity urbanization offers concierge service for the maintenance of the comune areas and the pool. There is also a gym for the owners to use it.

All units were built with high quality materials. This house is offered for sale completely furnished.
