M ² Property:	750		

DESCRIPTION

This newly Renovated Country style villa has been completed this year. The wonderful villa is located on a hill in the sheltered Can Furnet area and is surrounded by a forest of mature green trees. The plot is a total of 750m² and the house has an area of 458m². The villa is built on three floors and offers five en suite bedrooms and seven bathrooms.

On the lower floor there are a total of three double bedrooms with en suite bathrooms, one of which is more spacious and which also has a walk-in closet.

On the first and top floor you have the main entrance with its large lobby entrance. There is a bedroom with a private bathroom and a private terrace. There are also two other en suite bathrooms. This floor contains a living room built on an open concept floor. There is the living room with beautiful views of the sea, the valley and Ibiza town. From there you have access to the entire terrace, which is fenced in glass so as not to block the view. The kitchen is still undeveloped so the new owners can design it and chose their dream kitchen. There is also a guest toilet on this floor.

On the top floor there is the fifth bedroom with en suite bathroom with a spectacular view.

The villa is very bright and has many windows that let in all the natural light. There is also a studio with a separate entrance for the staff. The villa is equipped with elevator, air conditioning and heating system, an alarm system is installed, a separate laundry room and a garage for 2 cars indoors.

The outdoor area has a beautiful pool with a fantastic open view of the valley and the sea. There is also a terrace that is large enough to set it up with nice sun loungers and long chairs. There is an extra terrace overlooking the valley than can be used as a dining area. This terrace is already equipped with an outdoor stone barbecue.

This fantastic villa is ready to move in and offers you a perfect life in Ibiza!
