DESCRIPTION

Very nice newly built Blakstad villa near San Miguel and only 8 minutes from Santa Gerdrudis. The house has 440m² built area with 200m² terraces built on a flat land with 16000 m². The villa has 5 bedrooms and a very large living room with open kitchen and large TV room. In addition, the house is equipped with underfloor heating, so you can live in the house all year round. The garden is surrounded by a beautiful garden with many plants and the property is not visible because it is planted with Mediterranean cypress Cupressus, which grow up to 5 meters high. The plot is flat and you have your own well, so that green breeds and beautiful plants is super easy and suitable. No longer on the market because there is no land with this license to obtain. The largest that can be built is now 300 m². We are pleased to present you the house.
