### DESCRIPTION

We introduce you to this little gem yet to be polished. The property enjoys unbeatable views over the sea, the sunsets and the surrounding nature. On top of that on the 10,000 m<sup>2</sup> of land there are several areas specially designed for the practice of Yoga or spiritual retreats. This unique estate is well worth a small refurbishment to achieve the dream property.

The house in its current layout has 3 bedrooms and 3 bathrooms but an extra bedroom could easily be created. In addition to the kitchen and living room there are several porches and plenty of places in the middle of nature where you can create unique spaces. There is also a small 5x3 swimming pool where you can cool off on the hottest days.
