DESCRIPTION

Residential building in the center of Jesús, where a house is sold on the ground floor with a garden area and pre-installation for a swimming pool. Recently built building, fully furnished. Upon entering the property we find a living-dining room with access to the garden. American kitchen with all appliances: fridge, oven, dishwasher, microwave, induction hob. The property has air conditioning (hot and cold) and underfloor heating. It consists of a double room with fitted wardrobes and an en-suite bathroom. And a single room with a built-in wardrobe and a complete bathroom with a shower. It has a good laundry room equipped with a washer and dryer that is reached through a small terrace at the back of the house.

The price includes a parking space with access to the building from the inside.
