### DESCRIPTION

This property is lavish, roomy, and furnished with all modern conveniences in the Blakstad style. It has a stunning garden of up to 3.000 m<sup>2</sup>, palm trees, natural stone pathways, a heated pool on a sizable patio, and 12 sun loungers. There are two available eating tables that can accommodate 12 persons a piece. A kitchen with a BBQ and a dining table with 12 chairs are included in the outdoor space. The home, which was formerly a farm, still has some of its original characteristics, such as wooden beams, but the inside has been tastefully updated.

A separate cottage and a main home make up the property. The home's interior is decorated tastefully and has a serene atmosphere thanks to the use of light colors. The mainhouse has two bedrooms one with a double bed and one with two single beds on the ground level. On the first level, there is a master bedroom with a double bed and a spacious en-suite bathroom.

The annex with two bedrooms on the ground floor, each with a private bathroom and access to the terrace, and the first floor a big bedroom with a double bed, en-suite bathroom, and a private patio is in the garden near to the pool. A Sonos audio system and a kids' table tennis table are also included in the house. Only 2 kilometers separate this gorgeous rural home from San Jose, and within a 10-kilometer range are some of the West coast's most breathtaking beaches.
