DESCRIPTION

These tasteful, new built apartments are located in the centre of Santa Eulalia.

The construction combines modern architecture with the focus on the sustainable features of latest technologies.

The homely atmosphere is given a particularly cosy warmth by the use of natural wood.

Each apartment has two bedrooms and two bathrooms - the master bedroom offers a bathroom en suite.

The bright living room is connected to the fully equipped kitchen. You can count with induction cooking, microwave, oven, dishwasher, refrigerator, washing machine and dryer. From the kitchen you have a direct access to the terrace which invites you for relaxing moments.

For your comfortability, the centralized air condition can be set individually for all the rooms. High speed internet connection in the rooms as well as an underground parking lot with access to the apartment by elevator are included in the price.

The community area offers a beautiful Mediterranean style garden and a pool.
