DESCRIPTION

we are delighted to be able to offer this excellent private urbanization consisting of 2 villas in the process of construction with high quality finishes. The works are expected to be completed by the summer of 2024. Located in the area of Jesus, close to the most exclusive areas such as Roca Llixa golf course, Talamanca beach and Ibiza town.

This fantastic project seeks to create spaces that prolong well-being. The villas each have their own swimming pool and private entrance, as well as extensive vegetation embellishment with the idea of designing spaces that seek to prolong comfort and promote the enjoyment of leisure time. Design and comfort with Mediterranean soul. With balance, elegance and luminosity, the project has been designed to meet the needs of 21st century Mediterranean living.

The homes offer several terraces with 360o views from the rooftop terrace. Each house has four spacious bedrooms, the master bedroom located on the second floor with en suite bathroom. On the first floor is the fourth bedroom which can be converted into an office. On the first floor the living room with fireplace, open kitchen and dining room offers comfort and lots of natural light. From the living room there is access to the private pool and the large terrace.

The villas are located very close to Ibiza town and very well communicated, offering tranquility and privacy.

The plots of each house are very equal, measuring approximately 480 m2 each.
